

Webinar: Business Opportunities and Advantages of Doing Business in Florida

Alberto Aure

America Energy
President & CEO

Alberto Aure is an entrepreneur born in Caracas Venezuela in 1971. Graduated as a Mechanical Engineer in 1995, he founded Aucrom S.A. in 1997 as a Venezuelan distributor of various global brands in the air compressors and vacuum pumps business. In 2007, he founded América Energy Inc in South Florida, focusing on the design and manufacture of high-quality compressed air and vacuum systems for medical applications, made in the United States. The market vision has included the development of a solid distributors network in Latin America as well as OEM accounts in the US local market. Alberto is married, together with his wife they have four children and has spent an important part of his life helping children and young people with HIV.
